SEMESTER UNITS

The University uses the standard semester unit. Semester length is 16 to 18 weeks, except for Summer and Interim Sessions which are condensed. The terms "Semester" and "Session" both indicate regular university (residence) credits. The term "Continuing Education" indicates that the course work was sponsored by the CSUN College of Extended Learning and may be undertaken by non-matriculated students.

TRANSFER TOTALS

Transfer totals listed on the transcript include units from the institutions listed and units for any exams listed as Examination Credit.

Course Suffixes

Credit by challenge examination by course work is indicated by the suffix 'XM' or 'X' following the course number. Beginning in Spring 1985, the suffix 'IS' or 'I' designates enrollment in individual study. Individual study courses may be taken only in substitution for approved courses not available in the semester. The 'CS' suffix designates courses which have a service learning component.
